

# Gardening and Such

**Shrub and Small Tree Pruning, Design and Planting, “Jungle Taming,”  
Flower Bed Maintenance, Mulching, General Gardening**

**Winter is a great time to get things done in  
South Carolina gardens. Things like...**

- Designing new bed spaces
- Planting shrubs and small trees
- Transplanting
- Getting vines off trees and shrubs
- Taming jungly fence lines
- Hand pruning of select small trees and shrubs
- Clearing beds of old straw, leaves, vines, and weeds
- Adding fresh straw or mulch
- Removing English ivy and other invasives
- Adding more native plants
- Problem solving overgrown foundation plants

**Let us at Gardening and Such help revitalize your yard!**
